ⓘ ABOUT US

The Safe Travel Health Initiative at the Pennsylvania Department of Health (PA DOH) aims to promote safe and healthy travel experiences for all Commonwealth travelers. Our team provides vital guidance and resources to travelers, travel institutions, and local communities. Our goal is to provide information on the prevention of illness and the risks of disease transmission for the well-being of travelers and the communities they visit.

ⓠ HOW CAN WE HELP

Our initiative serves as a reliable and trusted source equipping travelers with the tools they need to make informed decisions about travel plans, adopt preventive measures, and navigate potential health risks. By providing educational resources, guidance and fostering collaboration, we contribute to a comprehensive approach to safeguarding traveler health.

OUR THREE-PRONGED APPROACH

Community Partnerships
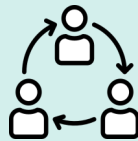

Educational Materials

Guidance Interpretation

HOW WE WORK

We actively engage with transportation providers, community organizations, institutes of higher education, and public health agencies to address the unique challenges faced by travelers. Through our partnerships, we strive to support their efforts to enhance awareness, understanding, and adherence to responsible travel practices.

TRAVEL TEAM MEMBERS ARE AVAILABLE TO:

Provide the latest health and safety guidance from the Centers for Disease Control and Prevention (CDC) and the PA Department of Health to help curb the spread of COVID-19 and other infectious diseases while traveling.

Collaborate with transportation providers, community organizations, institutes of higher education, and public health agencies to provide educational products.

Answer questions concerning travel restrictions, health advisories, and safety protocols for existing, new, and emerging public health threats affecting travelers.
